REMARKS

The instant application became abandoned due to failure to file a timely response to the 8 December 2008 non-final office action, i.e., on or before 8 June 2009. The undersigned became aware of the abandonment only upon receipt of the Notice of Abandonment mailed 16 June 2009, which was received in the undersigned's offices on 17 June 2009.

The response to the 8 December 2008 office action was not timely filed due to an error by the undersigned, i.e., the undersigned missed a docketed item, and the undersigned's assistant did not provide a reminder immediately preceding the inextendable due date of 8 June 2009. The abandonment was unintentional, and the entire delay in filing the required reply from the due date of the reply to the filing of the instant petition was unintentional.

Revival of the instant application is respectfully requested, in view of the remarks set forth above.

Respectfully Submitted,

Rupert B. Hurley Jr.
